An act to amend Section 67870 of the Government Code, relating to military base reuse.

**LEGISLATIVE COUNSEL'S DIGEST**

SB 339, as introduced, Cannella. Military base reuse authorities: sunset provision.

The Military Base Reuse Authority Act authorizes counties and cities located wholly or partly within the boundaries of a military base to establish a military base reuse authority to prepare, adopt, finance, and implement a plan for the future use and development of the territory occupied by the military base. The act provides that a military base reuse authority shall cease to exist when the board determines that 80% of the territory of the military base that is designated for development or reuse in the plan prepared pursuant to the bill has been developed or reused in a manner consistent with the plan, or 20 years after the creation of the authority, whichever occurs first.

This bill would make technical, nonsubstantive changes to the latter provision.
